

ALUMINIUM ARCHITECTURAL MAT SPECIFICATIONS

Elegant and durable entrance mats designed and made to last.

FEATURES & BENEFITS

- Aluminium treads with 50mm mat inserts
- Suitable for wet and dry areas
- Ideal for high foot traffic
- Inserts can be carpet-faced or coir
- Can be used indoors & outdoors
- Made to fit mat recesses - any shape or size
- Sound absorbing vinyl cushions underneath prevents noisy clatter
- Australian made from local and imported components for faster turnaround

Aluminium Architectural Mats offer a high-class finish while also boasting strength and sturdiness thanks to the heavy material used in their construction.

RECOMMENDED FOR:

- Shopping Centres
- Public Buildings
- Office Blocks
- Banks
- Hospitals
- Airports
- New Builds
